CIVIL ACTION

NO. 07-cv-02222-JF

MEMORANDUM

Fullam, Sr. J.

March 2, 2010

Plaintiff, a federal prisoner, is suing various prison doctors and other officials, asserting that he has been denied adequate medical care in violation of his constitutional rights. All of the defendants have filed motions to dismiss the amended complaint, pursuant to Fed. R. Civ. P. 12(b)(6).

Upon review of the existing record, I have concluded that plaintiff's amended complaint obviously passes muster under Rule 12(b)(6). The defendants' motions merely assert that plaintiff will be unable to prove his case at trial. The motions to dismiss will therefore be denied, without prejudice to the filing of motions for summary judgment, if appropriate, after further development of the facts of the case. An Order follows.

BY THE COURT:
